

SMS ICON TIPSTER FLOORSTAND

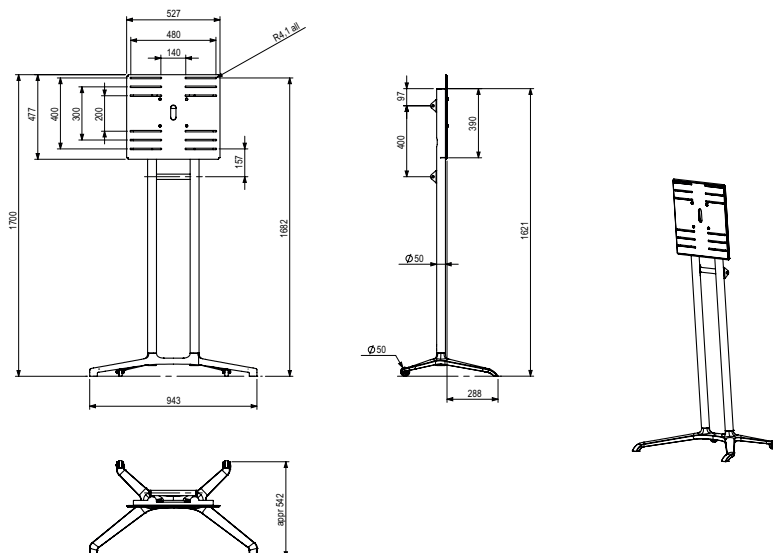

SMS Icon Tipster is a stylish system for indoor digital signage suitable for both retail, corporate and conference.

The product has been designed for modern slim displays with max VESA 400 x 400 mm and can be used in both portrait and landscape mode. The installation is simple and cost-effective, since the product is delivered partially assembled (two parts).

Wheels on back legs and handles on the back makes it easy to move the bracket within the conference room.
